

October 17, 2005 – View Shed Amendment to Land Use Plan (LUP)

It was the consensus of the Board to change the wording of the Land Use Plan to include the following statement under *Plan Area Standards – Siting Requirements for Residential Development*:

“Preserve views from within wetland areas and stream corridors which currently contain few signs of human development. Such areas include but are not limited to:

- 1) Hook Lake view shed in sections 28, 29, 32 and 33.
- 2) Wetland systems view shed (adjacent to US Fish and Wildlife and DNR lands) in section 35.
- 3) Waubesa Wetlands view shed in sections 7, 17 and 18.
- 4) Grass Lake view shed in sections 30, 31, and
- 5) Lower Mud lake view shed in sections 10 and 11. ”
