

**6/12/2020 Update:**

The second phase of the project will start the week of June 15<sup>th</sup> and will involve cleaning and televising all the sanitary sewer lines that will be slip lined under this project. This work will be conducted by Visu-Sewer Inc. It is anticipated the contractor will start along Jordan Drive and work their way east. This phase should be completed in about 3 weeks. The third phase of the project (slip lining sewer lines and replacing manhole lids) will start in July.
