

## Notice of Virtual Public Involvement Meeting

for  
**US 51 Corridor Study  
Stoughton to McFarland  
I-39/90 to US 12/18, Dane County  
WisDOT ID 5845-06-03**

The Wisconsin Department of Transportation (WisDOT) has planned a virtual public involvement meeting (PIM) for the US 51 corridor study to provide updates and gather public input on the proposed improvements to the US 51 corridor from east of Stoughton to McFarland.

**Beginning October 6, 2020**, the following information will be available on the study website. Go online to [wisconsindot.gov](http://wisconsindot.gov) and search "US 51 Study" and select "US 51 Corridor Study (Stoughton to McFarland)".

- Presentation – A pre-recorded, narrated slide presentation will highlight key aspects of the study, describe details about the preferred alternative, including design updates since the last PIM in September 2019, and discuss next steps.
- Study Exhibits
- Comment Forms – downloadable copy or can be submitted online.

**We want to hear from you!** Written comments regarding the proposed improvements may be submitted online, by mail (Wisconsin DOT, Attn. Jeff Berens, 2101 Wright Street, Madison, WI 53704), or by email to [jeff.berens@dot.wi.gov](mailto:jeff.berens@dot.wi.gov).

**All comments must be received by October 23, 2020** to be considered in the study's environmental document.

If you are unable to access the virtual public involvement meeting materials, or have general questions or concerns about the study or virtual meeting, please contact Jeff Berens, P.E., WisDOT Project Manager at (608) 245-2656.
